

Brahminical Conspiracy Behind MASJID DEMOLITION

M. S. SHASHIDHAR

PREFACE

Ever since the Dec 6, 1992 demolition of the Babri Masjid, our national Press has been publishing mountains of materials, interpreting and explaining all sorts of things, but not one writer has gone into the root of the problem. Not that our writers are unaware of the root cause for the demolition of the Masjid. They simply can't be frank because either as Hindus or Muslims they are a party to the "dispute". Sikhs and Christians cannot express their views being also "minorities".

It is only the Dalits, being neither Hindus nor "Minorities", who are in a position to come out with an objective view of the current "Hindu-Muslim conflict".

M.N. Roy, India's most famous Marxist of international repute and a Bengali Brahmin says: "The spectacular triumph of Islam (in India) was rather due to its liberating and equalitarian principles...." ("Historical Role of Islam" 1939).

A section of the oppressed Dalits of the country suffocated under the Brahminical Social Order (BSO) embraced Islam to gain self- respect and human rights. The most famous case is that of the Meenakshipuram mass conversion of Dalits into Islam, in Tamil Nadu in 1981.

If the BSO divides people into ascending order or reverence and descending degree of contempt, Islam offers equality and brotherhood. BSO is based on varna (colour) which is the other name for racism. But Islam has no trace of racism. In US, militant Blacks go over to Islam to escape from racism. Islam and BSO are poles apart. That means the conflict between the two is ideological and not anything else. This most vital aspect of the "dispute" is hidden for obvious reasons.

India was ruled by Buddhists for 1,000 years, Muslims for 800 years and Christians for 250 years. BSO never ruled the whole of India except certain pockets. Even after 1947 BSO was kept under check because of the equalitarian principles embodied

Babasaheb Dr. Ambedkar with Mr Muhammed Safrulla Khan during Round Table Conference held at London in 1931. The Muslim delegation headed by Mr. Khan had supported, unconditionally, Babasaheb's demand for Separate Electorates for Dalits, at Round Table Conference.

We have unfortunately not yet realised the significance of the observation of the old proverb among our villagers that "When you come across a cobra and a Brahmin, kill the Brahmin and leave the cobra, since cobra carries poison only in its teeth while the entire body of the Brahmin is full of poison !"

On December 6, 1992, which is very significant to us all as the day of 36th death anniversary of the great leader and the architect of the Indian Constitution, Dr. Babasaheb Ambedkar, the Hindu Nazis demolished the historic 464 years old Babri Masjid. By demolishing the Mosque, the Hindu Nazis want to achieve several evil objectives. Never in the history of the world, these Hindus who form only 15% of the Indian population and more particularly the Brahmins who are only 3%, had such a great opportunity to rule over such a vast territory and such a large population. The Brahmins and the other upper caste Hindus, who learnt from the British, the art of exploiting the villages from their urban seats and through the centralised system, are now facing the challenge from Dalits, Muslims, Sikhs and Backward Castes. The destruction of the Babri Masjid is a well calculated blow to the process of awakening and to the unity among these sections.

DID BABAR REALLY DEMOLISH THE RAMA TEMPLE ?

In fact, there were no structures anywhere in India that can be described as Hindu Temple (The truth is, Brahmins did not have any god or temple). Most of the structures which are now available in the form of temples were all either Buddha Viharas, Jain Basadis or temples of female dieties or ancestors of Nagas (Dravidians).

"Oh! It's a big Ramayana", "Will you, please, stop your Ramayana?". These are the usual contemptuous expressions of our people against the lengthy and useless talks! Our people had no reverence either to Ramayana or Rama. Because, Saint Valmiki, an untouchable from hunters community, had exposed the vulgarity of the Aryans in his Ramayana, symbolising Rama for all the evil characters of an Aryan! In the story of Ramayana, Ravana is described as a noble person and Rama is a mean minded person! How could this Rama character, who is not a historical personality, have taken birth in Ayodhya? Such a thing could happen only in the brahminical literature wherein semen can

be created from out of air, fire, water, etc., and children can be produced from thigh, hand and mouth. Assuming that there was a temple at the place where the Mosque stood, is it true that Babar really demolished it?

The Hindu Nazis keep repeating tirelessly that Muslim rulers destroyed Hindu temples. The Nazi propoganda has been that Ghazni Mohamood; Mallick-Kafur, Aurangzeb and other Muslim rulers had destroyed temples. We should examine these allegations.

BUDDHISM WAS DESTROYED BY IDOL WORSHIP !

Buddha was the first to rebel against the Brahminical Social Order. He had successfully demolished the beliefs and practices aimed at exploitation and propagated by the Brahmins, namely, idol worship, concept of soul (Atma) and rebirth. He had brought about an intellectual and social transformation. The helpless but cunning Brahmins infiltrated into Buddhist Social Order and installed the statues of Bhagwan Buddha in the Buddha Vihars and reviewed their priestly exploitation. At the time of arrival of Ghazni Mohamood the original Buddhism had been driven out of India and the surviving true Buddhists. i.e., the Nagas or the present day Dalits had been deprived of their wealth and power. The Buddha Vihars had turned into dens of prostitution, liquor parlours and houses of luxury by the Brahmins and upper castes. The institution of prostitution had the sanction of the Hindu Kings. Koutilya's famous book 'Artastra' speaks of all this in detail. Under the instigation of Brahmins the Hindu Kings had forcefully acquired the Buddhist Viharas. The Hindu King, Narendra Gupta (Sasanka) had cut off a part of the famous pipal tree at BodhGaya where Lord Buddha attained enlightenment. Truth, justice and piety had been replaced by arrogance, immortality and lust at the time of the arrival of the Ghazni Mohamood, who had come to India not for the spread of Islam, but with the desire for conquest. Like all empire - builders, he too plundered every place where wealth could be found and this was how temples came under his attack. Mohamood of Ghazni's attack of the Somnath temple was a great act of benovelence since thereby he liberated thousands of Devadasis (helpless women who had been imprisoned in the temples to satisfy the lust of Hindus). Temples were not the centres of

spirituality but of immortality. Muslim kings cannot be singled out for criticism. In their pursuit of wealth and power, the Hindu kings too had acted similarly. Like Narendra Gupta, the Hindu King of Kashmir, Harsha (1089 - 1101) - who should not be confused with the other Harsha of Kanauj of North India - had plundered several temples as well as Buddha Viharas. His Minister, by name, 'Devotpatana Nayaka' was exclusively incharge of such plunders. He got hundreds of Buddha icons sacrilegied by getting leprosy afflicted persons urinate on them and later got them melted in his mint (*The Culture and Civilization of India by D.D. Kosambi, page No. 186*) The Hindu rulers excelled all others not only in destroying temples but in ruthlessly exploiting people.

We are told that Aurangzeb had destroyed the Vishwanath Temple at Kashmir. The Mahant (Brahmin) priests were subjecting women, who came to the temple, to sexual exploitation. Many women, including some Rajput queens, were killed and their skeletons were found behind the idol of the temple, in a secret cave. Aurangzeb's Commander - in - chief, who was a Hindu, traces these sinners and kills them. Aurangzeb, not only got the said temple rennovated to undo the damage caused during these acts, but rebuilt it in a very grand manner. (For details, see "Aurangzeb Ek Nayi Dristi " by Dr. Omprakash)

Mallick Kafur was not a Muslim ! He was an untouchable (Dalit) who was admitted into Islam. He rose to high position by the dint of his exemplary devotion to his duties and he rightly broke the idols of the temples, which had inflicted insults on him when he was an untouchable. Moreover these temples had been the dens of prostitution through which Brahmins had good income. It was a good thing that prostitution and adultery which are the worst sins were put an end to. Even now, we can see in the Khajuraho temple, Sun temple of Orissa and Nanjundeswara temple of Nanjangud (Mysore) larger than life-size sculptured depiction of nude couples engaged in different poses of sexual acts. These are an insult to womanhood and deserve to be destroyed.

BRAHMINS' TRICK TO FINISH RAJPUTS !

If it were true that there was a temple at the place where Babri Masjid had been built, the temple could never have been destroyed by Babar (1483 - 1530), for most part of his stay in India,

he was fighting with Afghan Sardars (Chieftains). Babar was friendly with Rajputs. The most powerful among the Rajputs was Ranasanga and he had entered into a pact with Babar. Infact, it is this Ranasanga who invited Babar to India !

We should not forget that the Rajputs who were the leading martial race of India, had suffered very much at the hands of the Brahmins. The Ministers to Rajputs were always the Brahmins. They used to set one Rajput king against the other. By their wily indoctrination of the principle of SATI (Widow burning) and faith in the dicta that 'Death leads to heaven and success to empire', the Brahmins had seen that the defeated Rajput king is totally ruined.

There was a battle between Babar and Ranasanga in which Babar wins, but there is no proof of destruction of any temple by him. The great historians, namely, Vincent Smith and Havel have said that "Babar who had great qualities of humanism, magnanimity and high culture had a place among the great rulers in the history of mankind." It would be futile to attribute the act of temple demolition to a noble king like Babar !

BUDDHIST ORIGIN OF BABAR

Another important point is that Babar was not a strict follower of Islam. He had allowed the practice of idol - worship among his subjects, which is prohibited by Islam. (For much more details, kindly refer '*Ram, Ramayan, Babar*' by P.S. Sridhar Murthy, published by Dalit Sahitya Akademi, Bangalore). Babar was the descendant of Jenghiz Khan, a wellknown Buddhist ruler. (*The Culture and Civilization of Ancient India - D.D. Kosambi, pp 180*). Jenghiz Khan belonged to Mangloid race. Mangols became Moghuls, after they embraced Islam. These Moghuls and most of the present day Dalits and Backward castes have a common religious origin.

Assuming that Babar had demolished the temple to build the Mosque at Ayodhya, why is it that the Hindus did not take it back during the regime of Babar's grandson Akbar who had endeared himself to all sections, particularly to Hindus and Rajputs ? Why did they remain silent during their own Rajput queen, Jodhabai's rule, who ruled the entire Ayodhya region with Akbar ?

Most Muslim rulers had Brahmin ministers even as Tippu Sultan had been served by the Brahmin minister Purnaiah! Brahmins were always very close to all Muslim rulers. Why did these Brahmins who served the Muslim rulers so loyally for 800 years started branding Muslims as enemies ? A.B. Vajpayee and L.K. Advani were central cabinet ministers during the Janata rule but they never said a word about the Babri Masjid during their tenure! How is it Babri Masjid suddenly became controversial ?

MUSLIMS ARE ENEMIES , SINCE WHEN ?

During 1951 - 52, Josh Maliha Badi, a popular Urdu Poet, was asked to meet Mr. Vallabha Bai Patel, the then Home Minister, by the Prime Minister, Mr. Jawaharlal Nehru. The first question he puts to Mr. Patel was, " Why do you hate Muslims ? ". Patel says. " I am not hating Muslims of Nawab origin, like you. I am angry with those converted Muslims who were Bhangi-Chammars, till yesterday and claim equal rights, to-day" (*Yadon Ki Bharat* -By Josh Maliha Badi, Hind Pocket books (P) Ltd, Sahadarah, Delhi-32). This is the hidden secret of 'Muslim hatred' of every Hindu! .

Ninety percent of the Indian Muslims were Dalits and Backward Castes (See '*Dr.Ambedkar: Life and Mission*–Dhananjay Keer Page No. 281). "Seeking liberation from the cruelties of Brahmins and other upper caste Hindus, the Backward Castes and Dalits embraced Islam", according to Swamy Vivekananda. During the early part of twentieth century, Indian political scene was dominated by Muslim leaders. That is why M.K. Gandhi, who had just then returned from South Africa, declared "Indians do not require freedom now !". Brahmins and Banias infiltrated into the Congress and manipulated tours of some saints all over India to propagate Geetha, Vedas, etc with a view to emphasise the superiority of Brahminical social Order and to eliminate the importance of Muslim political leadership in India. Chronic communalists like V.D. Savarkar and his ilk were patronised and perverse ideas of 'Hindutva', 'Hindu Dharma', 'Hindu Rashtra' etc were employed to shape the contents of nationalism.

All these efforts were aimed at placing Brahmins at the helm of affairs. While the earlier political leadership had followed secular

ideals in public life, the Brahmin leader of Maharashtra, Bal Gangadhar Tilak made Ganesha festival a public celebration. (Nothing could be more ironical than the present President of India, S. D. Sharma who gives sermons on secularism, went to Bombay recently to take part in the centenary celebration of the commencement of Tilak's Ganesha festival!). Under such circumstances, the Dravidian movement of Periyar E.V. Ramaswamy Naikar and Dalit (Untouchable) movement of Babasaheb Ambedkar became big hurdles on the path for Brahmins. In 1931, when Dalits demanded Separate Electorates, Muslims supported Dr. Ambedkar. Again in 1946, in the election to the constituent Assembly, it was Muslims who elected Babasaheb from Bengal. Periyar had advised Sudras and Dalits to embrace Islam in order to get liberated from the cultural and social hegemony of Brahmins and upper castes. (See *Salvation to Shudra Slavery* -Periyar, Dalit Sahitya Akademi). Mohammed Ali Jinnah, Periyar and Babasaheb had met during 1940 mainly to discuss the dangers inherent in the bogus nationalism being preached by the Brahmin-Bania combine. That this discussion did not reach its logical conclusions is one of our greatest tragedies. The Brahmin-Bania combine (or the Hindu Nazi elements) began to devise means aimed at keeping away the Muslims (i.e, the erstwhile Dalits and Backwards) from the present day Backwards and Dalits.

JAGANMITYAM, JATI SATYAM !

"Muslims are all invaders; Hindus should unite" - this cry was started as a part of divide and rule strategy. Md. Ali Jinnah never demanded Pakistan. He wanted the power to be shared in proportion to the population of Muslims. The Brahmins, who refused to share the power with Muslims, had imposed Pakistan on them. Because, unless the Muslims are sent out, it was difficult to brand them as 'Extra territorial Nationalists' and threaten the Dalits not to join them. Later on, the Nazis sneaked the idols into Babri Masjid and started lamenting that it was the birth place of Rama! Who created this Babri Masjid Controversy?

Simpletons and naive persons will quickly say that it was RSS, BJP, and their front organisations that hatched the plan. In India we have to analyse and see political and social events not

through political parties but through CASTES. Shankaracharya had said 'JAGANMITYAM' i.e. world is an illusion, but Caste was real to him. Parties are only outward masks. Congress was nurtured by the Brahmin -Bania Combine with selfish designs and motives. The Maharashtrian Chitpavan Brahmins conceived the idea of RSS (Rashtriya Swayam Sevak Sangha) to culturally enslave the Dalits & Backwards. Although for outward appearance these two groups (Congress and RSS) fight bitterly, they help each other to preserve the Brahmin rule! They quarrel during day time and dine and sleep together in the night! It is a beautiful dialectical drama to fool us! Partition of India, Gandhi's murder, etc., were all the results of their mutually complementary, but seemingly opposite actions!

Jawaharlal Nehru, Govind Vallabh Panth (the then Chief Minister of UP) and RSS leaders - all these were Brahmins - laid the foundation of the Babri Masjid controversy. The Rathyatra, the Paduka yatra and all other stunts related to this dispute were enacted with a view to permanently keep the Muslims on the one hand and Dalits on the other hand, divided. The events of the 6th December caused greater loss to Dalits and Backwards than to Muslims. The false and bogus tale of Ramajanma Bhoomi has hit many sleeping birds at one stroke!

IT IS NOT MANDAL & MANDIR, IT IS MANDAL Vs MANDIR !

How is it that Babri Masjid dispute which was brewing ever since 1949 and did not gather momentum even till 1986, suddenly developed into an earth-shaking controversy ? How is it that L.K. Advani and A.B. Vajpayee never opened their mouths on Babri Masjid when they were central Ministers ? How is it that this Mosque became so hot in 1986 that Hindutva started boiling?

Eversince 1947, Congress Govts. have been promising the Backwards that they would implement reservations for their benefits. The Janata Party Govt. appointed the Mandal Commission in 1979 which gave its report in 1981. The Congress regime dumped it into the cold storage. In 1990, V.P. Sing's Govt. picked it up and in accordance with the recommendations of the Mandal Commission, granted 27% reservation to BCs who form 57% of the Indian Population. Brahmins who form 3% and had been occupying 80% of the posts spent sleepless nights. They

burnt the midnight oil to hatch plans to thwart the notification of the V.P.Singh Govt. They engineered riots and fake Self-immolations and shouted: "V.P. Singh is dividing the country into Castes". They talked and lectured as if we had achieved a casteless society and that V.P. Singh had invented and imposed castes on everybody! The reservation policy was a blow to the artificial and bogus Hindu Unity, which all the while thrived on bogey of threat to Hinduism from Muslims. The Anti-Mandal agitation alienated Dalits and BCs from the upper caste Hindus. The slogan, 'we are all Hindus; we are all one' lost all attraction. L.K. Advani's Toyota Yatra was started and obliging upper -caste- controlled press painted it as a big success. The Nazis were helplessly looking for an excuse to withdraw support to V.P. Singh's Govt. When the Toyota Yatra was stopped by the Janata Dal C.M., Mr. Laloo Prasad Yadav near Ranchi, the Nazis heaved Singh of relief as they got a plausible excuse to withdraw support and pull down the Singh's Govt.

Such of the thoughtless Backwards who had sent holy bricks (?) to Ayodhya were preoccupied with the cleverly devised Rathayatra instead of applying their 'minds to the Mandal Commission Report. Some of the headless Dalits too joined the cacophony of chanting Ramnam ! That the Mandal Report has condemned the ideal of Rama who killed Shudra Shambukha, simply because he had sat in meditation and had thereby violated the caste system or VARNA DHARMA the SUMMUM BONUM of Hinduism.

The upper castes and their mouth pieces kept telling that if Mandal Report is enforced the Dalits would lose their quota as the BCs would snatch away the Dalits quota. They also kept telling that BCs would lose as the report had expanded Dalit quota. When this formula failed to click, they raised the bogey of Babri Masjid and painted Muslims as enemies of Hinduism! The Hindu Unity was aimed at permanent enslavement of Dalits and BCs. Instead of raising their voice on the rights that the Mandal Report had granted, the Backwards started chanting the name of Rama like Hanumans !

V.P. Singh, who had saved the Masjid and implemented Mandal report and quit the chair for the sake of principles, had come to be loved by Muslims, Dalits and BCs. His party had every

chance of returning to power in flying colours. Rajeev's murder disturbed everything. Fear of BJP on the one hand and a wave of sympathy on the other, brought Congress back to power. BJP, which had won more seats than at anytime, had come to rule in four states. As one of the best friends of RSS, Narasimharao, the PM, did his best to scuttle the Mandal report. The report, which was being discussed only by the intellectuals and politicians had been brought to the streets by V.P. Singh. Unable to do anything, PVN pointed his fingers at the Supreme Court and washed his hands.

MESSY JUDGMENT:

The Supreme Court gave its Judgment on the Mandal Report on the 16th Nov, 1992, upholding in principle the notification of the Singh's Govt. but with fetters of the rights of BCs. That the Creamy Layer (Forward among the Backwards) shall not be entitled to reservation, that there shall be no reservation in promotions and that the vacancies which have not been filled by reserved categories shall be opened to general category were the fetters on the rights of the BCs. In otherwards the Judgment rescued the Upper Castes. Even before the full text of the Judgment became available and even before the BCs could discuss and debate the matter, the KARSEVA cries started and the Babri Masjid was destroyed on 6th Dec., 1992. The attention of the whole nation was diverted towards Ayodhya! By the time the tempers and dust raised by the Hindu Nazis settles, the Judgment will have become the law in force on reservations and we will be devoid unity and will to debate and oppose the consequences of the Judgment. The Brahmin and other upper castes will have developed better grip and tighten hold on the high posts and on the administrative machinery. Rama had killed Shambuka, a Shudra in accordance with the provisions of MANUSMRTI. Now, ironically the same Rama came in the way to finish Mandal Report!

All these developments proved a truth certain that Anti-Muslims have always been Anti-Reservationists!

SACRILEGED DECEMBER 6 !

April 14 and December 6 are the two important days to Dalits. On these two days, we organise meetings and participate

in various celebrations, forgetting all our differences. The Hindu Nazis have chosen this day to demolish the Mosque. Why ?

December 6, 1992 happens to be the Dakshinayana Day, the most inauspicious day for Brahmins. Even to die, they wait for the Uttarayan, on which day the gates of heaven remain opened! Why did they choose such a unholy day for a holy Karseva ? On Dec 6, 1956, the day on which Babasaheb was murdered, the Hindu Nazis rejoiced over his death declaring it as a 'Hindu Renaissance Day'. Now, they chose the same day to demolish the Mosque! Babasaheb has given a Constitution of egalitarian principles to crush the ethos of Manusmriti. Hence the upholders of VARNASHRAM have chosen his Parinibban day to demolish the Masjid and celebrate the victory of Manusmriti!

Now December 6 has become a sad day not only for Dalits, but also to Muslims who are equally the victims of Hindu Nazis. They selected December 6, with a view to cause confusion in the cultural endeavour of Dalits and to drive a wedge between Dalits and Muslims. In future, When we observe Dec 6 as the day of mourning, the Nazis will be celebrating their victory day !

In the past too, the event took the same cause. The Brahmins deceitfully killed the great Dravidian King Mahabali. When we were observing the day of his murder as a day of mourning, the Brahmins devised a festival of lights in the name of DEEPAVALI ! Now, some of us on the day of our King's death, foolishly burn crackers and take sweets. In future, if we do not awaken, Dec 6 will become a day of rejoicing over the conquest of 'Rama on Babar' or 'Victory of temple over the Mosque!' ! We should therefore realise that the Babri Masjid was demolished deliberately on Dec 6 with a design to keep Dalits and BCs as Hindus, to be precise, under Hindu enslavement !

HINDUTVA is a thing that becomes alive only in the context of Muslims. If there were no Muslims, there would be no Hindus. The whole Anti-Muslim psyche of Hindu Nazis is born out of the fear that BCs and Dalits may opt out of Hinduism! The Hindu Nazis have to inevitably nurture Anti - Muslim madness. With this evil aim, they have been pouring petrol to Krishna Janmabhoomi and Kashi Vishwanath controversies !

Congress is Hindu Nazism in the secular garb. RSS, VHP, Bajrangdal, BJP etc., are Nazis without any disguise. Congress, being the original Brahminical party, is the father of all these unholy brats! Congress Govt., led by PVN, had full knowledge of the plans of the undisguised Nazis but it had been all the time pointing its accusing fingers at them in order to keep fooling the Muslims, Dalits and BCs. Even the future plans are known to both the seemingly fighting camps. We should not forget that when BJP brought down the V.P. Singh Govt., this very PVN who is now sermonising that all secular forces should unite, had derived joy! If PVN is really keen on saving the mosque, why did his Govt., allow three lakhs Karsevaks (a misnomer) and many of them with demolishing tools to assemble near the mosque ? V.P. Singh had stopped the TOYOTA yatra of L.K. Advani, but Narasimha Rao provided all security to yatras of Advani and Joshi ! Why ?

How is it that the same security (military) forces which had entered the golden temple of Sikhs at Amritsar braving the Sikh Militants, could not stem the Karsevaks ? When every unwanted Sikh could be termed as militant or terrorist, what prevented the Govt to treat the so called Karsevaks as militants or as terrorists?

After the accomplishment of the tragedy, PVN has entrusted the task of identifying the culprits who demolished the Mosque to the CBI! Does any one need telescope to discover the moon ? PVN has been telling that the mosque will be rebuilt. Does he not know that the rebuilt mosque cannot be a substitute for the 464 year old monument ? The new mosque can only be a Congress Masjid or PVN Masjid. Rao dismissed the BJP Govts., in MP, Himachal Pradesh and Rajasthan under the pressure from Arjun Singh, a Thakur and Sharad Pawar a Sudra. But no action is being taken against the culprits ! Does it require a CBI investigation to detect the link between RSS and BJP ?

PVN has assured the masses that mosque will be rebuilt. He has allowed the Ram lalla darshan. But Muslims were lathi - charged who had come to offer Namaz !

BAN ON COMMUNAL ORGANISATIONS !

To parade his secular credentials, PVN has banned RSS, VHP, Bajrangdal, Islamik Sevak Sangh and Jamat E Islami Hind.

Rumours were first released so that the real culprits among these organisations got time to shift relevant records and objectionable materials to safer places and transfer bank balances also to safer hands! The absolutely innocent Jamat E Islami Hind was banned. The new born Islamik Sevak Sangh (ISS) does not know all these intrigues and it announced dissolution in the wake of ban. Charges have been levelled against the leader of the ISS, Naser Madani that he had planned to plant bomb in temple. Some time ago, he lost his legs as a result of bomb blast engineered by Hindu Nazis. Another allegation against him is that he has received foreign funds and had collected explosives. The Muslim organisations will continue to face difficulties and problems in future, while the banned Hindu Nazi organisations will continue to work in an unfettered way! Because their members have infiltrated into temple managements, literary bodies, and such other elitist and stylish associations. Through these Organisations, they will promote, divert and conduct their dirty activities in the form of Vivekananda Jyoti, Bhagat Singh Jyoti, Subhash Chandra Bose Jyoti, etc. Dalits and BCs will have to guard themselves against these Nazi masks. It is well known that RSS and like -minded elements have infiltrated into Govt. office, police, Judiciary etc.

LIES AND LIES ALL THE WAY

In the Brahminical epic, Mahabharata, Krishna tells Dharmaraja to shout 'Aswatama is dead'. This was a lie, devised to kill Dronacharya the father of Aswatama. The dishearted father was soon humbled and killed in the battle. When Dharmaraja hesitated to tell this lie, Krishna exhorts him, "If you fail to utter untruth we are lost". The Hindu fundamentalism believes in telling lies to suit its needs. The Hindu Nazis false promise to the Supreme Court need not surprise anybody. Only those who pretend to be ignorant of Nazi techniques would be surprised. It was crucial time for the Nazis and they cheated the Supreme Court intentionally and deliberately.

The Court had not permitted, initially, Karseva. The Nazis had said that they would not do any Karseva, and they would do only symbolic Karseva, that they would not enter the disputed area, that they would not carry construction tools or materials, that they would not take with them crow-bars or pick axes, etc. and that there

would be only prayers. (Have Hindus at any time offered prayers for the good of all people ?) Their CM kept telling till the end that the Babri Masjid is safe, but had posted his police force to safeguard the tool-carrying and well trained structure demolishing squads in the garb of Karsevaks! He had arranged water supply, electricity and roads in that disputed place. The PM had known all this by Dec 5. The Union Home Minister on Dec 5 ' Expressed Concern' about the 'Inadequate security arrangements' at the site. After this, he and the PM became unconcerned. The Military, who had been taken there for preventing entry of Karsevaks to the site was not put to use. The stupid excuse was that the military could not reach the place since the road had been blocked with stones etc., by the Bajrangdal! The PM did not have even half the efficiency and sagacity of the Bihar Chief Minister, Mr. Lallo Perasad Yadav!

THE CLASSIC HINDU HYPOCRICY !

After the event, all are blaming the former CM Kalyan Singh a Backward Class man who is backward not only mentally but emotionally too. He said he did not regret even the loss of lives in the wake of Dec 6 events ! Nazis always use such Hanumans, Sugreevas and Vibhishanas to finish brave and honest Ravana and Valis. Such corrupted people can do anything to prove their loyalty to their masters !

Hindu Nazis who used all their resources, authority, police, etc. are now afraid of owning the responsibility. They are now telling that some enthusiastic Rama devotees, whom they could not control, demolished the Mosque. These, who had arranged training in demolition, are now saying that they dont know who actually pulled down the Mosque. This has been the song from Vajpayee to Nrasimha Rao. The Sikhs who killed Indira Gandhi boldly and honestly owned the responsibility and entered the gallows! That is the chief difference between the Hindu Nazis and the determined enemies of Nazis.!

Chicken hearted and hypocritical Nazi spokesman like Vajpayee and the pontiff of Pejawar Mutt, who came out with the statement that crowds beyond anybody's control destroyed the Mosque, did not have the human heart to express even regret for

the loss of thousands of lives in the wake of Dec 6 incident. This clearly shows not a single Hindu may have died in this Nazi atrocity of the Dec 6.

THE MELODRAMA OF COMMUNIST PARTIES !

Communists have been preaching that castes and communities are not real; and that only classes, namely, Capitalists and Working classes are real. If there are no communities, what is the need for 'Communal harmony' now? Conflict of cultures is real and class conflict is not real. Brahmins and other SAVARNA Hindus stand by MANUSMRITI, while Dalits and Muslims stand by the Constitution given by Babasaheb Ambedkar. Those who are never tired of chanting of communal harmony should know that harmony between the admirers of these two basically contradictory schools of thought, is an impossibility. This is the secret behind the failure of communal harmony mongers.

The Communist regimes of Kerala have been more cruel towards Dalit-Muslim unity efforts than the RSS and VHP. The communists who maintain stony silence about MANUSMRITI and VARNA DHARMA have pounced on the efforts to spread the message of Periyar and Babasaheb. These very communists have been dining verbal jugglery and ideological jargons like 'Class Struggle', 'Armed struggle', 'Bourgeois Revolution' into the ears of our factory workers and farm labourers, and thereby causing confusion in their minds. Doctrine-oriented talk of the communists have been an impediment to Dalits and BCs youth in identifying their real enemy. Many top communist leaders are bound by the caste cross threads with the nazis. The saffron clad pontiffs and saints who are the patrons of RSS and VHP, are invited to the homes of top leaders on auspicious occasions! EMS Namboodiripad of Kerala secures the presence of Shankaracharya to ceremonically write OM on the tongue of his grand children. Our youths should realise that these Communists are also an edition of Hindu Nazis !

The democratic Brahmins like Ramakrishna Hegde, the Congress Brahmins like Gundu Rao, the orthodox Brahmins of the BJP and the liberal Brahmins of the Communist hue were all united in going, in a procession, in protest against the telecast of the

Kannada film 'Poojari Krishna' by the Bangalore TV Centre in 1990. Some of the secular Brahmin leaders of these secular parties who preach Dalits, Muslims and BCs, Christians, Sikhs to give up their caste identity, are actually life members of Akhila Bharata Brahmana Mahasangha! Such of the Brahmin politicians who try to occupy key positions in all these political parties have one common purpose. They act like shock absorbers and prevent the growth of strong bond between Dalits, BCs and Muslims and their movements. They are employed to put cold water to the gun powder at the time of war !

Rumours spread that some people had demanded the arrest of the pontiff Pejwar Mutt for his provocative statement that some sculptures of Hindu symbols, gods, etc., were found when the Babri Masjid was demolished. Jeevaraj Alva of Janata Dal quickly rushed to the press with the statement that if this pontiff is arrested, uncontrollable situation would arise! This is how the greatness of Brahmin pontiff is artificially built up. After all, this pontiff is the leader of a sub-sect of a sub-caste among the Kannada speaking Brahmins, and after all Alva is a protege of R.K. Hegde !

Infact, this very talk that one should raise above one's caste is insincere. The jargon establishes that castes are playing a big role in public and social life. In a sense we should become staunchly communal. The BCs, as well as, Dalits should resist sanskritisation of their cultures and should recognise the importance of maintaining and strengthening the identity of our own cultures. This plea may look communal at the outset, but a little analysis will show that the Brahmins have already put this principle into practice. In the guise of Hindu unity the Brahmin is trying to impose his culture on every one else.

Caste is essentially a Hindu concept. Dalits (like Muslims) do not come within the caste structure. Caste Hindus (SAVARNIYA) describe us as "OUT CASTES". The Brahmins castes are adept in confounding confusions. We are as different from Hindus as Muslims or Sikhs. We the BCs as well as Dalits are unrelated socially and culturally to the vedic or Brahminical social order. Dalits and BCs are not Hindus, but separate entities. In order to secure our rights, we should strengthen our identities.

Dalits and BCs must become strong and staunch Dalits and BCs. Muslims must become strong and staunch Muslims. Sikhs have become a force only because they have resisted sanskritisation and guarded their distinct identity. For the same reason, the Blacks are causing sleeplessness to the exploiting Whites. Eelam Tigers have become great warriors only because of they are strong Tamils! Today neither Dalits and BCs nor Muslims are well knit united and cohesive. That is the reason for the weakness of these groups. If these groups become vibrant, and then forge alliance, the course of history will change.

CORRUPT AND HYPOCRITICAL PRESS & MEDIA:

On April 14, October 14 and December 6, every, year lakhs of people gather at the CHAITYA BHOOMI of Bombay and DEEKSA BHOOMI of Nagpur. Lakhs of people staged demonstrations demanding implementation of Mandal Commission Report. But these are not events for our corrupt newspapers and the committed Govt. media. The brahminised media has prompted to a great extent the consolidation of Nazi forces and the fall of the Babri Masjid. The mass media had been well prepared through Ramayan and Mahabharat before the TV take up the relay of Chanakya.

In the context of Masjid demolition Newyork Times condemned the timidity of Central Govt. and the inept handling of the situation by PVN. Our newspapers gave wide publicity to reports of demolition of temples in Pakistan, in the wake of the fall of the Babri Masjid. The same papers took care not to publish the assurance given by Pak Prime Minister Nawaz Sheriff that all such temples would be rebuilt.

The pictures of the misled Karsevaks and their processions regularly appeared in the press. In the garb of criticising Advani and Vajpayee undue publicity was given to them. The journey of Karsevaks by the rails and roads and their cries were so reported as to boost their morale.

Even as Babri Masjid was falling, the newspapers published their editorials which had been prepared well in advance. Psuedo intellectuals indulged intellectual fornication in the name of discussion on the ever elusive harmony. The question in public

mind was why the Babri Masjid was destroyed on December 6 despite promises to Supreme court and to the country. The answer was - we destroyed the Babri Masjid on 6th, because Pakistanis destroyed temples on the 7th !

Though the Nazi madness had killed thousands, the Brahminised press gave figures in terms of only hundreds. However the easily available BBC reports exposed the lack of merit as well as integrity on the part of Indian reporting. That was the BBC reporters were beaten up by the Nazi vandals!

After helping the assault on Constitution and its institutions, the press as well as the Govt. media are chanting communal harmony. Platitudes such as ' We are all Indians' are dished out after enabling Nazis to stab all that was good and noble in our public life. The press and TV are attempting to assuage our indignation and are thereby giving green signal to Nazi vandals and bullies, in their future plans!

INTERNATIONAL CONSPIRACY !

Though the conspiracy to blow up Babri Masjid was fully indigenous, it had international support. The West was bustling with a desire to inflict an insult on the Muslim world for many reasons. The man who opposed and to an extent thwarted the American design for the New World Order of George Bush, Sadaam Hussain of Iraq was a Muslim. ColnoI Gaddafi of Libya who did not allow peace for the American rulers was Muslim. The man who sarcastically condemned the immoral and violent aspects of American culture and stemmed its spread to West Asia was Ayatollah Khomeni, another staunch Muslim. Abdul Nasser of Egypt who had halted the rush of ever hungry American imperialist tongue was a Muslim. The biggest hurdle to the establishment of British Empire in India was Tippu Sultan. For the present any worthwhile resistance of opposition to the imperialist designs of the West can come only from the Muslim Nations of the East. Oil hungry west has to depend on Muslim nations' oil.

If there is anything that the West is afraid of today, it is Islam. Most of the Blacks who are fed up with American hegemony are turning to Islam. The Blacks had known nothing but oppression and exploitation at the hands of the whites. It was Malcom X who

took to Islam that taught the blacks and gave them courage to address America as the 'White Devil' ! Following his footsteps, Cassius Clay, the boxing hero became Mohammed Ali. Today, lakhs and lakhs of Blacks are embracing Islam and are journeying to Mecca in search of peace, joy and self-respect. They are returning from Mecca as Black panthers! The democratic values inherited in Islam are responsible for these developments.

FIRE AND PETROL !

While Hinduism is tyrannical, Islam is human. While the deities of Hindu gods are locked inside the temples, mosques are not only kept open but do not have shutter or doors. While Brahmins or priests alone can enter the sanctum sanctorum of the temple, there is neither sanctum sanctorum nor priests in the mosques. Mullas are Arabic teachers and Munshis are Persian teachers. Moulwis are those who recite Koran and clarify doubts to those who cannot read and write. There are no priests in Islam and there is, therefore, no priestly exploitation. None is superior to another from the spiritual point of view.

While the Brahminical MANTRAS are whispered and while sections of Hindus are prohibited from even listening to their chanting according to MANU SMIRTIS and GOUTAMA DHARMA SUTRAS, the Islamic prayer is made loudly and heard on the loud speakers. There is no secrecy.

Muslims (and Dalits) are beef eaters. Whereas Brahmins rever the cow and are grass eaters ! (In the past, they were the chronic beef eaters ! Even to-day, they eat beef covering their faces). Likewise, in all aspects Islam is just opposite to Brahminism. That is why Islam has become an alternative to Dalits who are suffocated by Brahminism. If Dalits choose Sikhism or Chistianity, nobody is worried. Because, these religions have already fell victims to Hinduism. Dalits of these religions are discriminated even today. But in Islam, there is no trace of discrimination. For historical, cultural and racial reasons, Dalits and Muslims are likely to get close to each other. The unity between Dalits and Muslims is like bringing together **petrol and fire** ! That is why, in 1981, when Dalits of Meenakshipuram, got converted enmasse into Islam, all the ARYANS from Inira Gandhi to Pejaware pontiff, lost their mental balance ! And that is why, out

of frustration, they are maligning Muslims with their cock and bull stories !

UNHOLY COMBINE OF ARYANS & AMERICANS !

America is trying to become the Brahmin of the world and Brahmins are trying to become Americans of India. The Governmental and Semi-Governmental concerns are about to be handed over to either Americans or Japanese hands or to the Bania -Brahmin alliance. Their game is to tell the Backwards and Dalits to follow the glorified monkey, the Hanumantha and to do Rama bhajan, so that we will have no time to know about the dealings such as the one in which Vishnu Hari Dalmia of VHP purchased from the Govt. a cement factory worth about 600 crore rupees for a paltry 26 crores! The workers who protested this deal had to face bullets. The dust raised by the Nazis from Ayodhya has for the time being covered Harshad Mehta who swallowed Rs. 17000 crores!

The Hindu Nazis are ever ready to stand in support of America which is aspiring to control the whole world. These Nazis are after all the descendants of Aryans who were the first to intrude India to deceive the ancestors of the present day Dalits, Backwards and most of Muslims. They are not attached to our land. That is why they are not buried but burnt. These Aryan descendants are out to turn India into another Somalia or Ethiopia. The sizable section of them are green card holders, or applicants for the citizenship of USA or NRIs. Even as Babri Masjid was crumbling, USA got ready to declare Pakistan as a terrorist supporting State. Saudi Arabia and Egypt which have accepted the leadership of USA did not speak loudly. USA which claims to be the greatest democracy did not condemn the destruction of Babri Masjid, because most of Hindu upper castes are the stooges of America. The Aryan descendants want the original Indians, namely, Dalits, Muslims and BCs to keep on fighting. Similarly Americans want Asian and African nations to keep on quarreling. Therefore the Hindu Nazis are always on the side of America.

THE NEPOTISM OF UNO

As regards the aggression on Muslims, the United Nations Organisation stands exposed. It is becoming clear that UNO is

controlled by the US Boss. When dealing with the Gulf crisis, the UN in a rare display of solidarity, passed a dozen resolutions in the space of three months, including resolution 678 authorising the use of force and all necessary means to drive Iraq out of Kuwait. The tribunal set by Ramsey Clark has found Bush and his administration guilty of 19 charges of crimes against humanity during the Gulf War. In Bosnia-Herzegovina, 150000 people were slaughtered by the Serbians ! This barbaric crime did not prompt the UNO to come out with a single resolution! It has relegated the 45 yrs old of Palestine to the cold storage. The pseudo human right fighters, who lamented against the 'Aparthied' in South Africa, dare not to open their mouth against the threats and sanctions against Libya followed by the creation of a no-fly zone in Southern Iraq. How come these crimes do not attract UNO and other peace lovers? Firstly, the action and inaction of the UN depends on the 'Yes' and 'No' of the US. Secondly, the people who are dying in Bosnia, Palestine, Libya, and Iraq are all the Muslims, the hated lot by Whites! today, the Aparthied in South Africa is put to an end. Because it was feared by the Americans that these Blacks would join the Muslim! (No wonder, even if they leave South Africa for the Blacks, shortly!)

Muslims believe that Jesus Christ is also one of the Prophets. Jesus came as a liberator of the suffering masses. The oppressors had crucified him. Now, the descendants of such killers of Jesus have made capital out of Jesus to fool the masses. They have distorted the teachings of him to their advantage to exploit the Blacks. Similarly, the Bishops in India, the erstwhile Brahmins and upper caste Hindus are oppressing Dalit Christians !

Muslims and Islam have become a big hurdle to the Aryan and White Christians in their way to rule the world. That too, America, the boss of the world, is facing a big threat from the Islamic nations. It has got a record war crimes in Vietnam, Panama, Nicaragua, Cuba, El Salvador, Lebanon, etc.

INTEREST BASED ECONOMY

In Islam, there is no gap between religious faith and polity; between personal life and public life. So was also the case with Christianity of Jesus. But later it was changed by the exploiters. In

the present day Christianity, religion is different from polity. Secondly, the 'Interest' is forbidden in Islam as 'Haraam'. Whereas the western countries of white Christians are based on the economy of "interest". Interest on the Loans advanced to the third world countries, Royalties received on patent rights and abnormal differences in the exchange rate are the chief sources to countries like America. Similarly, the Brahmin- Bania brokers and middlemen of urban centres are getting their surplus by way of interest on loan advanced to rural Dalits and BCs. Banks, industries and business houses are based on the Interest and unscientific price policy.

The followers of Islam numbers to a staggering total of 110 crores scattered in 49 countries across the globe. They are, at first, members of the Islamic World and next alone, they are the subjects of the respective countries. There is no such community which is so well organised. If it builds the nations on the base of a revolutionary religion, what will be the result ? The colonisation of the White Christian world will come to an end. That is why White Christians are afraid of Islam and Muslims!

As it is already stated, there is a great possibility of Dalits and Muslims alliance in India. In order to halt this development, the International organisations have formulated many plans, in collaboration with Indian Aryans like appointment of Sub-commission to protect the human rights of Dalits, projects to eradicate poverty, protecting their land rights, etc. All these plans and projects are routed through the Christian organisations which are controlled by the upper caste Christians, who practice untouchability against Dalits!

Today, the Muslims and Islamic nations have lost faith with the UNO. In the near future, if they form an '**Islamic United Nations**' and an '**Islamic Security Council**' it will not be a surprise.

Without the support of Americans, the Aryans would not have dared to demolish the mosque. Even in future, they will have every support from the satan America and Zionists to finish the Muslims! So long the 'Interest based Socio-Economic System' continues to exist, the 'Principles based Society' (Value based

Humane Society) is bound to be troubled and hence inevitable to keep alive the fighting.

WHAT IS THE MESSAGE OF DEMOLISHED MASJID ?

The Hindu Nazis who had encounters with the Sikh received a big blow in 1984 by conducting operation Blue Star. The whole world understood as to who were the enemies of the Sikhs. Sikhs, who till then had Believed that Muslims and Pakistan were their enemies, saw Hindus in their true colours. Hindus are still paying for their folly, nay handiwork. The Hindu upper castes in their perversity are scheming to exterminate Muslims. They employed their police and military to ransack the Golden Temple of Sikhs at Amritsar. The Govt. owned the responsibility. It took the toll of Indira Gandhi's life. Here, the police and military pretended to be safeguarding the Mosque. They did not even safeguard the homes of thousands of Muslims. On the other hand Karsevaks who did the job of a demolition squad equipped with all kinds of necessary tools were given full protection! What is the logic behind all these? Today, the same police and military are guarding the temple raised at the demolished site !!

To say that the Govt., and the Congress were sincere and did their best is to fool ourselves. The Govt. is giving an impression that it wants to uphold the Rule of Law and Justice. P.V. Narasimharao appears to be ready to reconstruct the Mosque and build temple for Rama. Then who is responsible for the demolition of the Mosque ? Since Advani resigned and Vajpayee, Pontiff of Pejawar Mutt, etc have regretted the Mosque demolition, we cannot suspect BJP and Co. Muslims, Dalits, and Backward Castes are still scratching their heads as to who did the job? Babasaheb, Periyar, Mahatma Pule and Md. Ali Jinnah had identified the enemy long ago !

WHO ARE THE ENEMIES OF INDIA ?

For all the havoc in India, the cross thread wearing Brahmins, Vysyas and Ksatriaya castes who together constitute 10% to 12% of the population and more particularly the Brahmins (who are 3%) are responsible. The Shudras who were forcefully and without their consent and for the benefit of the above three castes included into the VARNA order or Caste Structure.

Backward Castes and Dalits or Untouchables are not Sudras because they are outside the caste structure; they are out-castes or casteless people. The BCs and Dalits together account for 75% of the population. This 75% have always been the workforce of Hindus. If it turns out that the demolition squad equipped with pick-axes, crowbars and other tools were from this 75%, there is little cause for surprise.

That is why the aggrieved Muslims ask: "How to trust these Dalits and Backward Castes ? It is these people who pounce on us on every occasion". Muslims should realise that they are also responsible to an extent for this tragic situation.

The liberating and humanitarian religion of Islam ordains its followers to rush to the succour of the oppressed and the exploited (MUSTADAFEEN). Muslims ought to have extended their hand of friendship to the Backwards and Dalits. Christian Missionaries have done it without taking notice of the Nazi criticism and allegation of conversion. Nazis forcefully stuffed human refuse (night soil) into the throat of Dalits in Karnataka. Nazis burnt Dr. Ambedkar's writings exposing the filth for Hinduism. Nazis tried to obstruct implementation of Mandal Commission report which recommends reservation to Muslims too. Dalits were trampled upon, killed and their houses are burnt, almost daily. Muslims remained neutral. A few of the Muslim intellectuals functioned as mercenaries. They exhibited their mental bankruptcy and moral corruption by writing that Rama and Krishna came as prophets in the same way as Prophet Mohammed. These stooges should also be held responsible to an extent for the fall of the Mosque and for thousands of killings in Dec 92. Among Muslim intellectuals (especially those projected by the national napkin papers) there has been a competition in intellectual fornication !

EXAMPLE OF KOLLEGAL

At Kollegal (southern part of Karnataka) communal riots used to brake out frequently. In these clashes, engineered by Nazis, Dalits and Muslims have lost many lives. These were called Hindu-Muslims riots for the convenience of Nazis. Muslim contribution to find solution to the problem is nil. In recent times, Babasaheb's writings and thoughts have opened the eyes of Dalits

and in turn they opened the eyes of Muslims also. Now, at this place where Muslim lives used to be lost for petty reasons, peace, amity and harmony is firmly established. In the wake of Dec 6, events, Dalits warned their people that ' We are not Hindus. Brahmins caused Masjid demolition, who prohibit us from entering their temple. Muslims are our brethren' and declared that if any Dalit assaulted any Muslim, a penalty of Rs. 1001/- will have to be paid and boycotted from the community !'

TRAGEDY RESULTED BY ARYAN LOVE !

The holy Quran warns "O you who believe! Take not the Jews and the Christians for your friends and protectors; They are but friends and protectors to each other. And he amongst you that turns to them (for friendship) is of them. Verily Allah guides not a people unjust" (5.51). In what way the Aryans are better than those Jews? Brahmins, the descendants of Aryans, are more poisonous than those Jews. This is the fact which was exposed by the Muslim leaders of 1910, to help the Untouchables (Dalits). Despite the warning given by the noble leaders like Aga Khan, Mohammed Ali Jinnah, Periyar, Mahatma Jotiba Phule and Babasaheb, the Muslim elites and intellectuals befriended Brahmins and are paying the price. Despite knowing fully well that Hinduism is a conflicting ideology to Islam, many Muslim intellectuals praised the Hindu gods to please their Hindu Masters and went after the Congress Party, the original Brahminical Party! Now, they are witnessing the result of such an unholy friendship. For their sins, the poor and helpless Muslims are paying the wages.

As Muslims are fooled, Dalits too are brahminised to imitate the Aryans. Giving up our own culture, we are getting fast sanskritised. That is why we are facing untold problems. Babasaheb had clearly, warned that Congress is a burning house, and anybody enters into it will be burnt to ashes. But the Dalit leaders had not listened to his warning. The Great Basavanna of Twelfth Century had cautioned :

'Because of the faith in the divinity of the Brahmin,
Gauthama' s cattle were butchered;
Because of the faith in the divinity of the Brahmin,

Bali Suffered internment;
Because of the faith in the divinity of the Brahmin,
Karna forfeited his armoury;
Because of the faith in the divinity of the Brahmin,
Daksha was rendered headless;
Because of the faith in the divinity of the Brahmin,
Parasurama had to drown in sea;
Because of the faith in the divinity of the Brahmin,
Nagarjuna was beheaded.
And because Sharanas of Koodalasangama had faith in God
alone,
they reached Kailasa.

It is the Brahmins who chased the Buddhism out of India. **Babasaheb had to face an untimely death as he had married a Brahmin woman.** It is the Brahmins who thwarted the social revolution started by the Great Basavanna of Kalyana. And it is Muslim's love towards these deadliest brahmihns that caused the destruction of Babri Masjid !

Now the Hindu Nazis are celebrating their victory over the demolition of Masjid. A little while ago, the Russians too had similarly celebrated their annexation of Afghanistan. The whole world was flung into despair and everyone was convinced that the Soviet Union had annexed yet another Muslim territory, while many more Muslim territories were facing extreme threat of annexation. But what happened ? The subjugation of Afghanistan became a prelude to the liberation of Central Asia and the downfall of communism. The turn of events during the past few years indicates that the demolition of the Babri Masjid might become a prelude to the India's hypocritical secularism and its hollow unity and integrity. History had never pardened the aggressors!

Our Muslim brothren are facing all kinds of hardships, today. The Prophet Mohammed too had faced more severe hardships during 617- 619 A.D. But during the same period, the hopeful signs came from Madinah to spread the message of humanity. In the present days of despair, Muslims of India are sure to see a way

out to peace and hope, but only when they look their Ansars (helpers) in Dalits.

Muslims should realise that such of the Dalits and Backwards who indulge in Anti-Muslim acts are all those who still wrongly believe that they are Hindus, who are victims of Nazi schemes, who are ignorant and whose backwardness is the result of Brahminical Social Order. They are neither devoted to Rama nor do they belong to RSS. They are brought to Congress gatherings as well as to BJP celebrations of Dr. Ambedkar Jayanti. They welcome a trip to any place and lunch as an alternative to the drudgery of a day's manual labour. The Brahminical Social Order and its politics have made use of the hunger and poverty of these oppressed sections. The day is not far off when they will realise the truth.

ADVISED TO BE SECULAR !

Some of the so called intellectuals (?) are advising the Muslim masses to be secular. It means, they want the Muslims to become Sudras (slaves). 'To be a good Muslim of Hindustan', they say, ' Muslims should come forward to build Rama's temple'. And some of the Muslim stooges too say that "If other mosques are not disturbed, Muslims would give up Babri Masjid!" Do they mean that the Hindu Nazis will keep quiet after resolving the Babri Masjid dispute?

We should not forget a fact that Brahmins knew the truth that Rama's temple never existed at the site of Babri Masjid! Then why do they create this controversy? Because, only by disputes and Controversies, the Brahmins (3%) can rule this land! If we give up Babri Masjid today, they will start fuelling on Mathura, Kashmir, Kutub Minar, Taj Mahal etc, in the coming days. These controversies would go upto Mecca-Madina! (already they are lobbying that there is Sivalinga in Mecca). Hence, we should not allow the Aryans to construct the temple. After all it is a battle between two values and two constitutions-Indian Constitution of Babasaheb and Aryan Constitution of Manu. We should see that Babri Masjid is constructed at the same spot. Building the Mosque is not only the duty of Muslims, but more so of Dalits, BCs, Sikhs & Christians, the Native Indians.

WHAT DALITS AND BCs SHOULD KNOW :

In the land of Buddha, who preached humanity to the whole world, we have to bow our heads in shame for the vandalism on the Mosque on Dec., 6. Advani, Narasimha Rao, Vajpayee, Ashok Singhal and Pejawar Pontiff need not bow their heads because they owe no allegiance to this land. We are the victims of their instigation and politics and we have to realise that these are our real enemies. Babasaheb Ambedkar has analysed that India's History is a record of continuous conflict between Buddhists (Dalits-BCs) and Brahmins (see: Who are the Untouchables. Page; 354). The Brahmins have branded us as untouchables, but Dalits too had treated Brahmins as Untouchables and kept them at a distance from the places of our dwelling. If a Brahmin ever entered the Dalit settlement, he used to be slipped to death (Ibid p -315). This was the relationship between us and the Brahmins! Therefore, the expression frequently dished out through TV and Radio, namely SAMPRADAYIKA SADBHAVANA is absurd!

As a result of false and malicious propaganda, Muslims are considered by some as outsiders. Actually, the ancestors of the Brahmins are foreigners, the Aryans. This is History. BJP is pressing for the revision of text books on history with a view to suppress or distort the history. Muslims are our blood brothers/relatives. Kariappa became Kareem, Rangaiah became Rahim and freed himself from the chains of Hinduism and its caste structure of Brahminical social order. For the same reasons, Puttamma became Fatima. Have these Muslim brethren caused any harm to us? Further, but for these brethren our cherished dish, beef would not have been available in the open market at optimum price. Forty years ago, when these Aryan descendants, in the garb of Gandhism had banned cow slaughter, we, the Dalits, had to procure beef with great difficulty. In recent times, Marvaris used to snatch away our beef yielding cattle from the roads under the cover of PRANI DAYA SANGHA only to be sold to big footwear manufacturers for profit!

REMEMBER, in 1931, when our great leader Dr. Ambedkar insisted that Dalits should have separate electorates, nobody stood by his side except Muslims. Gandhi whom we had called Mahatma had opposed Babasaheb's efforts. Babasaheb was

defeated in the elections to the Constituent Assembly in 1946. It was the Muslims of Bengal who later got him elected. Muslims had extended support to the Backward class movements led by Mahatma Phule and Periyar.

WE SHOULD REMEMBER: We will not be allowed entry into the temple that the Nazis may build in Ayodhya. Chandrappa, a Dalit who desired to take THEERTHA (Blessed Water) from a Rama Temple in Thattur village of Shimoga District of Karnataka, was compelled to consume MOOTHRA (urine)! The same atrocity was repeated in Kollegal in 1991. Hundreds of such atrocities are being perpetrated on us. These events elucidates more effectively the Hindu mind and Hindu attitude towards us than any treatise on Hinduism. Such assaults and insults are not inflicted on us by Muslims. Some of the Dalits and BCs who took to Islam became rulers as Sultans, but owing to the mistake of having continued as Hindus (?), we are compelled to carry the night soil. This is Hindu-Dalit relationship.

Ever since 1947, it is the Hindu upper castes who are coming in the way of reservations in our and Backward Castes' favour. When benevolent Maharaja of Mysore accepted and implemented the reservation policy, the then Brahmin Dewan M. Vishveswaraiah resigned in protest. When Karpoori Takur implemented reservation Brahmins opposed it, not Muslims.

Hindu Nazis are never tired of reminding us that the Muslims have been enjoying separate personal Law. There is no reason as to why Muslims should accept the imperfect Brahminical Hindu Law. The very elements who are opposed to Muslim personal Law are opposed to Mandal Commission report which recognises the rights of the Backwards. Anti-reservationists and the Anti-Muslims are one and the same. Look at the report of 'Indian Express' dated 7th Jan, 1993. Encouraged by the success of demolishing the Masjid, the pontiffs of Sangh Parivar, Vamadev and Muktanand had given a statement that they wanted to take the Indian society to the Vedic period of Varnashrama Dharma. According to them in the proposed RAMARAJYA reservations to Scheduled Castes should be abolished and the Constitution must be rewritten to that effect! This is the true colour of every Hindu Nazi ! And one of secretes of all their Anti-Muslim riots.

Nazis have been denigrating Muslims as an unpatriotic people, smugglers, etc. Most of the Army personnel and most of the Armymen who laid down their lives for defending our land are all Backward Castes, Sikhs, Muslims, Dalits, Gorkha and Coorgis. Brahmins have not laid down lives in defence of this land. There may be exceptions, and exception proves the rule. Many Muslim lives have been lost while fighting for India in Indo-Pak wars also. An overwhelming majority of smugglers, Mafia Groups and money spinners from Harshad Mehta onwards are from among Hindu upper castes. Most of the top officers of the Central Govt., including Komar Narayan who sold India's defence secrets to foreign lands during the end of 1984 were all from the so called merited Brahmin castes.

It was Brahmins and the Hindu upper castes who abused Babasaheb Ambedkar as an agent of the British, not Muslims. It is the Brahmin - Nazi company which is out to swallow the Buddha Gaya, not Muslims. It was brahmin Mahants that turned thousands of Buddha Vihars into dens of prostitution and exterminated most of the buddhists from India; not Muslims. It was Brahmins who killed Gandhi, the father of Hindu Rashtra, not Muslims. A people who killed their own father, when he was found to be inconvenient, will surely kill us and our brethren if we refuse to be their slaves. That is why they have a long list of Mosques to be destroyed. With that pretext, they want to keep India boiling so that we can be burnt!

Dalits, Backwards, Muslims, Tribes and other oppressed people are all original Indians, MOOLA BHARATIYAS, who belong to the DRAVIDA STOCK or the glorious NAGA RACE !

DO NOT FORGET that the Hindu Nazis, painting Muslims as our enemies, are planning to push us back to 2000 years, the age of MANU! They are the supporters of MANU's code. But we are the supporters of the Constitution of India of Babasaheb. They want to have a society of graded inequality. But we want to establish an egalitarian society based on Justice, Equality, Liberty and Fraternity.

Nazis must have got the first brick to be laid down by a Dalit for their Ramamandir. But, remember, a Dalit can never become its priest. We are considered as Hindus, only to finish Muslims. If we are Hindus, why do they oppose Laloo Prasad Yadav, the Chief

Minister of Bihar, when he appointed Dalits as the Shankaracharyas ? The crores of rupees collected in the name of Rama will be utilised to finish us later. The political power they attain after Rama, will be used to destroy us.

The interests of Dalits and Brahmins can never go together. They are opposite to each other. Their enemy is our friend and viceversa. We work and they enjoy. We believe in equality and they believe in inequality. We want piece and they are after war. In all aspects, Brahmins, and their values are against us. This is a natural and simple truth. So long the evil values of Brahminism exist, the disciples and believers of Buddhism and Islam are bound to keep their struggle alive.

BRAHMINISM: THE CANCER OF INDIA !

Brahmin brain might have made use of Dalit and Backward hands in the Babri Masjid episode of Dec 6. In future, this same Nazi brain may set up Dalits and Backwards against each other. They may also bring about divisions within each of these groups by driving the wedge of languages like Kannada, Tamil, Marathi, etc, to subdivide us. Linguistic fissures were cleverly driven to divide Dalits and Backwards among themselves during the Cauvery river water dispute and earlier during the Thiruvalluvar statue controversy. Hundreds of controversies will be manufactured to keep us divided and keep us fighting among ourselves. Therefore, India's unity, prosperity and safety depends on the awakening and unity of Dalits, Muslims and Backwards.

It is said, he who eats well in the mad girl's marriage is the wisest. The Nazis have decided to keep India eternally boiling. The Brahmin and Upper Castes politicians, irrespective of their political affiliations are all mentally united and their drama of fighting from different political platforms is aimed at for fooling us. If we allow them to fool us and thereby give a clear chit to build 'Ram Rajya' (or the Goonda Raj) we are bound to be beheaded like Shambuka!..... And in later days of HINDU RASHTRA, we cannot predict the developments. Anything can happen !

Because, the Nazi rule will be at peak, uncontrolled. The Nazis will be at the top of their madness !!

JAI BHEEM

in the Constitution by Dr. Ambedkar. The BSO swears only by the Constitution of India, though it was certainly trying to weaken and subvert its foundations.

The Dec. 6, 1992 event marks a big victory for the BSO in its bid to impose the Constitution of Manu on the over 85 percent of the people of India. What is currently going on, therefore, is a battle between the supporters of the two Constitutions-Indian Constitution and Manu's Code. It may be a violent battle but a healthy one.

India has been for long a stagnant cesspool of stinking water. It can't be cleaned without muddying its water, killing the fish and destroying the vegetation. The result will be clean, healthy water. Hence it is a welcome development because in the ongoing battle between the two, only the Dalits, being outsiders, will be able to solve the "dispute" and implement Dr. Ambedkar's Constitution of India.

IS THERE ANY DOUBT ABOUT OUR REPEATED WARNINGS

- that the Congress and BJP are two faces of the same coin? That BJP, RSS, VHP are all evil progenies of the Congress?
- that Dec. 6, a day of melancholy for Dalits as the death anniversary of our great leader Babasaheb Ambedkar has become a day of mourning for Muslims also? That this has again proved that the enemy of Dalits is the enemy of Muslims also?
- that the Hindus viz., the castes with cross thread, who nursed the Masjid – Mandal controversy ultimately succeeded in destroying the Masjid and sabotaging the Mandal report?
- that the Hindus who had been prattling all the time about truth, justice, non-violence, democracy etc. have lost the moral right to speak about them?
- that there is no bigger lie than the propaganda that Hinduism (i.e. the religion of castes with cross thread) is the most tolerant religion?
- that the Hindu – Muslim conflict should be always taken as conflict between the apologists of the dirty MANUSMRITHI and the supporters of the noble Constitution given to us by Babasaheb Ambedkar?
- that the 'Ramarajya' to be built by Hindus will be a 'Goonda Raj'? That the admirers of Rama, the killer of Shudras and persecutor of women can never raise above the level of monkeys for whom he was a divine?
- that the Brahmins or their agents forming 3% the population cannot rule India except through strife and rowdyism?
- that this Brahmin oriented rule which has reduced India to bankruptcy in these 45 years requires only a few more years to turn India into a desert?
- that the newspapers, TV, Radio, Police, Govt., Court etc., are all Brahmin oriented?
- that the Hindus are crying "Hindus Unity" only to divide India for their benefit?
