Honorary Chairman of the
International Visitors Council of Los Angeles
Mayor Richard J. Riordan

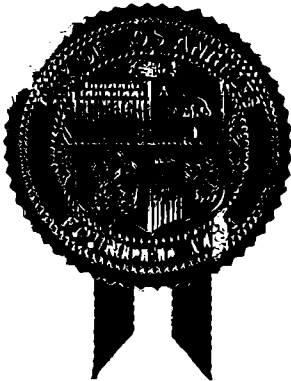

WELCOME

As Mayor of Los Angeles, it is a pleasure to welcome all of the nearly 1,000 distinguished International Visitors who come to our city each year. We hope that you have experienced the unique character of openness, creativity, and determination which marks Angelenos.

Certainly no other city combines experimentation, environmental innovation, economic hub, educational institutions, and ethnic diversity as does L.A.

We invite you to encourage all future International Visitors from your country to make Los Angeles a part of their itineraries. We want to share ideas with them and include them in our ongoing efforts to improve the economic, political, ecological, and cultural vitality of us all.

We urge you to keep in touch with the people you have met here and to return to Los Angeles, soon and often.

A handwritten signature in black ink, which appears to read "Richard J. Riordan".

Richard J. Riordan
Mayor
City of Los Angeles

International Visitors Council of Los Angeles

Dear International Visitor:

We are delighted to include you in the Los Angeles International Visitor Network and to send you our most recent newsletter and list of distinguished International Visitors who came here in 1993. We would be happy to include your comments and photos about your experiences in future newsletters, so please write to us often and keep us up-to-date with any address changes so that we can keep in touch with you.

IVCLA members who may be travelling in your country would appreciate meeting you briefly for an hour or so if you have time. We would write you to let you know their names, dates of visits to your city, and local phone numbers so you could contact them. With your approval, we could give them your office address and phone number so they could contact you. Would you like to be a part of this ongoing personal exchange?

Many Visitors who have been to Los Angeles remark that "L.A. is tomorrow today." The prime example of American individualism, L.A. is shaped by immigrants from all continents, whose populations here are often second highest only to their countries of origin. We urge all future International Visitors to make Los Angeles a part of their tours, just as you have done.

We send you our very best wishes for everything that you are doing and hope that you will return often to Los Angeles where we will establish other contacts for you through International VIP Services. Looking forward to hearing from you soon, I am

Sincerely yours,

Robin Hinchliffe
Executive Director

The management of wealth made simple.

Once it was enough to invest wisely in domestic blue chip securities.

Today a portfolio that ignores global realities can expose you to unacceptable risk. And limit opportunities for reward.

Yet the complexities of managing a truly global portfolio are more than most people are willing to undertake.

Fortunately, there's The Private Bank of Union Bank of Switzerland.

As one of the world's few Triple-A rated banks, Union Bank of Switzerland has resources and expertise in global portfolio management

unmatched by any other financial institution.

Which is why we have been the portfolio managers of preference to generations of individuals and their families for over 125 years.

To learn more about services for domestic and international investors, contact Jack H. Walston at (213) 489-0685 or William B. Witte at (213) 489-0628 in Los Angeles, or Robert Vanneeman at (415) 398-4795 in San Francisco.

Allow us to assist you in simplifying the new complexities and rewards of today's portfolio management.

TAX LAWS VARY FROM COUNTRY TO COUNTRY.

BUT YOUR BUSINESS DOESN'T.

DOING BUSINESS ACROSS NATIONAL BORDERS IS BECOMING MORE AND MORE COMPLEX EACH DAY. SO TOO IS MAINTAINING A CONSISTENT OPERATING STRUCTURE.

TAXES ADD TO THE CHALLENGE. FOREIGN TAX RATES AND REGULATIONS VARY AMONG JURISDICTIONS, WHICH COMPLICATES PLANNING FOR CASH FLOW, RETURN ON INVESTMENT AND PROFITS, AS WELL AS INTERCOMPANY PRICING AND THE EFFICIENT USE OF FOREIGN TAX CREDITS.

ARTHUR ANDERSEN RECOGNIZES HOW IMPORTANT IT IS FOR YOUR MULTINATIONAL BUSINESS TO MAINTAIN UNIFORMITY. OUR EXPERIENCED PROFESSIONALS SHARE CENTRALIZED TRAINING AND A COMMON METHODOLOGY IN EVERY OFFICE IN EVERY COUNTRY WHERE WE PRACTICE. THE RESULT: SEAMLESS INTERNATIONAL TAX MANAGEMENT FOR YOUR BUSINESS.

BECAUSE TAX LAWS VARY FROM COUNTRY TO COUNTRY. YOUR BUSINESS DOESN'T.

International Visitors

LOS ANGELES
'93

International Visitors Council of Los Angeles
Biltmore Court • 520 South Grand Avenue, Suite 680
Los Angeles, California 90071 • 213 622 6835

Honorary Chairman of the
International Visitors Council of Los Angeles
Mayor Richard J. Riordan

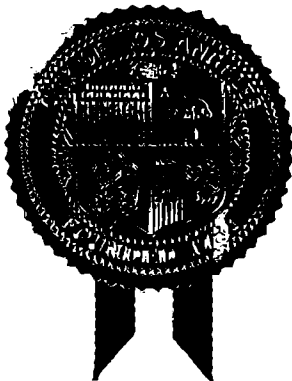

WELCOME

As Mayor of Los Angeles, it is a pleasure to welcome all of the nearly 1,000 distinguished International Visitors who come to our city each year. We hope that you have experienced the unique character of openness, creativity, and determination which marks Angelenos.

Certainly no other city combines experimentation, environmental innovation, economic hub, educational institutions, and ethnic diversity as does L.A.

We invite you to encourage all future International Visitors from your country to make Los Angeles a part of their itineraries. We want to share ideas with them and include them in our ongoing efforts to improve the economic, political, ecological, and cultural vitality of us all.

We urge you to keep in touch with the people you have met here and to return to Los Angeles, soon and often.

Richard J. Riordan
Mayor
City of Los Angeles

International Visitors Council of Los Angeles

Dear International Visitor:

We are delighted to include you in the Los Angeles International Visitor Network and to send you our most recent newsletter and list of distinguished International Visitors who came here in 1993. We would be happy to include your comments and photos about your experiences in future newsletters, so please write to us often and keep us up-to-date with any address changes so that we can keep in touch with you.

IVCLA members who may be travelling in your country would appreciate meeting you briefly for an hour or so if you have time. We would write you to let you know their names, dates of visits to your city, and local phone numbers so you could contact them. With your approval, we could give them your office address and phone number so they could contact you. Would you like to be a part of this ongoing personal exchange?

Many Visitors who have been to Los Angeles remark that "L.A. is tomorrow today." The prime example of American individualism, L.A. is shaped by immigrants from all continents, whose populations here are often second highest only to their countries of origin. We urge all future International Visitors to make Los Angeles a part of their tours, just as you have done.

We send you our very best wishes for everything that you are doing and hope that you will return often to Los Angeles where we will establish other contacts for you through International VIP Services. Looking forward to hearing from you soon, I am

Sincerely yours,

Robin Hinchliffe
Executive Director

The management of wealth made simple.

Once it was enough to invest wisely in domestic blue chip securities.

Today a portfolio that ignores global realities can expose you to unacceptable risk. And limit opportunities for reward.

Yet the complexities of managing a truly global portfolio are more than most people are willing to undertake.

Fortunately, there's The Private Bank of Union Bank of Switzerland.

As one of the world's few Triple-A rated banks, Union Bank of Switzerland has resources and expertise in global portfolio management

unmatched by any other financial institution.

Which is why we have been the portfolio managers of preference to generations of individuals and their families for over 125 years.

To learn more about services for domestic and international investors, contact Jack H. Walston at (213) 489-0685 or William B. Witte at (213) 489-0628 in Los Angeles, or Robert Vanneman at (415) 398-4795 in San Francisco.

Allow us to assist you in simplifying the new complexities and rewards of today's portfolio management.

International Visitors are **guests** of our government, invited by our embassies abroad. Over 1,000 come to Los Angeles each year. Among them are businessmen, members of parliament, editors, musicians, educators, activists, curators and scientists.

IVCLA **members** are volunteer citizen diplomats from diverse backgrounds called upon to host these Visitors in our offices, for dinner in our homes, to local attractions, or on tours of our neighborhoods.

The IVCLA Visitor Alumni **Network** offers reciprocal introductions to recent Visitors when members travel abroad. Visitor Alumni over the program's 50 year history include Boutros Boutros-Ghali, Margaret Thatcher, and Nobel Laureates Oscar Arias, Frederick DeKlerk, Willy Brandt, and Anwar Sadat.

TAX LAWS VARY FROM COUNTRY TO COUNTRY.

BUT YOUR BUSINESS DOESN'T.

DOING BUSINESS ACROSS NATIONAL BORDERS IS BECOMING MORE AND MORE COMPLEX EACH DAY. SO TOO IS MAINTAINING A CONSISTENT OPERATING STRUCTURE.

TAXES ADD TO THE CHALLENGE. FOREIGN TAX RATES AND REGULATIONS VARY AMONG JURISDICTIONS, WHICH COMPLICATES PLANNING FOR CASH FLOW, RETURN ON INVESTMENT AND PROFITS, AS WELL AS INTERCOMPANY PRICING AND THE EFFICIENT USE OF FOREIGN TAX CREDITS.

ARTHUR ANDERSEN RECOGNIZES HOW IMPORTANT IT IS FOR YOUR MULTINATIONAL BUSINESS TO MAINTAIN UNIFORMITY. OUR EXPERIENCED PROFESSIONALS SHARE CENTRALIZED TRAINING AND A COMMON METHODOLOGY IN EVERY OFFICE IN EVERY COUNTRY WHERE WE PRACTICE. THE RESULT: SEAMLESS INTERNATIONAL TAX MANAGEMENT FOR YOUR BUSINESS.

BECAUSE TAX LAWS VARY FROM COUNTRY TO COUNTRY. YOUR BUSINESS DOESN'T.
